**REVIEW OF MINUTES**

No minutes to be approved.

**UNFINISHED BUSINESS**

Review of statutory revisions for Subchapter IV - the committee continued its review of Subchapter 4 and stopped at § 2535 Nonresident Pharmacies. The committee will continue reviewing the statute and providing proposed changes as they continue to review Subchapters of the Statute.

It was discussed that Subchapter IV should title as “Pharmacies & Non-Resident Pharmacies” as it discusses both within the Subchapter.

§ 2528 - It was proposed to remove PIC permit. There was discussion of requesting pharmacy ownership information as opposed to supervisor’s information.

Mr. Christ requested removal of issuing a 60-day temporary permit. It was proposed to possibly include a section in regulations for emergency procedures in which a temporary permit would be feasible.

§ 2529 – Possible broadening of (d) in regards to closing procedures and more in-depth definition of what constitutes disciplinary action.

§ 2531 – Ms. Kelly proposed a “clean-up” of § 2531 as it contained too much detail. A change of the monetary penalty was discussed to possibly re-word, “not to exceed \$250,000.” The penalty would also be per infraction.

§ 2532 – It was proposed to remove the word “book” but leave “suitable file” as to keep the definition broad.

§ 2533 – Mr. Christ suggested this Statute should be part of Regulations. It should be worded in a way that the details would be found in regulations.

§ 2534 – It was proposed that “administer” be added to the list.
